Order :

I have gone through the contents of the Appeal dated April 06, 2016, received in my office on April 26, 2016, the application dated March 05, 2016 of the information seeker as also the order passed by CPIO in the matter. It is seen that the information seeker sought information on wide range of issues and I note that the CPIO has provided all the available information. It is observed that CPIO has provided the information as made available to him by the concerned department/vertical of the public authority. CPIO is not expected to analyze and make judgment on the correctness or otherwise of the information. I do not find any infirmity in the order of CPIO dated 30/03/2016. In the light of the above background, information as available is already provided by the CPIO to the Applicant, the present appeal lacks in substance.

I find no infirmity with the impugned order passed by CPIO, the appeal is accordingly dismissed.

Order accordingly.

Copy of this order be sent to the Information Seeker and CPIO.
