

### **Pre-Bid Clarification**

Purchase of 2 Intel Servers for SIDBI Chennai  
Tender no. 400/2015/1092/BYO/ITV  
March 11, 2015

*All the terms & conditions of the remains unchanged (except for the changes which were suggested in the Pre-Bid Clarifications posted by SIDBI.*

***Placed below are the queries received from various vendors.***

<b>SN</b>	<b>Vendor Query</b>	<b>SIDBI Response</b>
1	Page No. 36, Section: Annexure IV- Technical Bid-Server Configurations : 1 SCSI(External) is required : Clarification sought is that SCSI card is obsolete, so kindly share the existing port type on Tape	No Change. The SCSI card is required in the server. The HP Ultrium 1840 external tape drive will be connected to Servers using SCSI port, to take server backup.
2	Page No. 36, Section: Annexure IV- Technical Bid-Server Configurations : Clarification sought is 01 Fibre Channel (FC) HBA or 8 GBps option would support only 8 GBps.	Agreed.
