

**Supply, Installation, Testing and Commissioning (SITC) of 40 KVA silent DG set with AMF Panel for SIDBI Officers' Residential flats at Kings Apartment, Mall Avenue, Lucknow – 226 001 under buyback of existing DG set of same capacity.-
Addendum No. 1**

S.N.	Existing provisions in Tender/ Queries	To be read as / Clarification.
1.	<u>Location of D.G.:</u>	Location of proposed DG set & AMF Panel will be at the existing location only without disturbing other panel and electrical setup. Exhaust fan of reputed make & IS quality is required to be provided by the Agency of minimum size 18" (2 nos). The selected Contractor is also required to do necessary installation and commissioning of the set up with existing arrangement in the quoted cost.
2.	2 Year Defect liability period and keeping of B.G. and S.D a. Page no. 5 Clause no. 8 Performance Bank Guarantee. b. Page no. 5, Clause 10 (v): c. Page no.4, Clause 7:	i. Performance Bank Guarantee (PBG) would be 5% of SITC cost of DG set (excluding AMC cost) valid till 5 Years and 4 months (renewable every year) from the date of award of work issued by Schedule commercial Bank in the approved format. As an alternative, FDR duly discharged in favour of SIDBI is acceptable instead of BG. ii Performance Guarantee will be released to the party after Successful completion of Comprehensive AMC of 3 rd year as per terms of contract. Clause is clear about the amount to be considered for retention. Defect Liability period for complete system will be 2 years from the date of successful commissioning of DG set.
3.	<u>Clarification on point no. 1.8 of price Bid (Part II of the Tender) :</u>	Manual operated pump of a reputed make as per standard industry practice (should be of a satisfactory quality) within the quoted amount required to be provided for pumping of Diesel from barrel to the D.G's in built Tank.
