Appendix-H**Penalties**

Bidder must ensure the Solution/support should comply with the RFP/SLA terms and penalties will be imposed on breach of RFP/SLA terms as mentioned below.

S.No.	Penalties
1	Penalty for delay in milestone completion
2	Penalty for default in delivery
3	Penalty for the shortfall in Performance Compliance Level
4	Penalty for non-performance of SLA
5	Penalty for delay in fixing viruses and threats to the system
6	Penalty for non-closure of ISD/SOC/IEHRT /IS Audit / CERTIN/ CERTINRBI Advisory/Alerts Vulnerability report shared in MICROSOFT 365 CLOUD SERVICES (SAAS) system and any other Audit Observations and non-availability of signature/remediation for new malware
7	Penalty for non-performance at helpdesk

1. Penalty for delay in milestone completion

Without prejudice to any other right to which it may be entitled, if the Supplier does not Achieve a Key Milestone on or before the applicable Milestone Date (after allowing for any extension of time to which the service provider may be entitled) NaBFID shall be entitled to withhold a proportion of the Milestone Charge for that Milestone (a “Payment Cut”) and such Payment Cuts shall be calculated in accordance with the following table:

Milestone	Project Milestone	Penalty Calculation
The successful bidder must submit the project implementation plan, architecture diagram (HLD & LLD)	01 week of Awarding of the contract	1% of one-time implementation cost Per Day for delay or part thereof.
Installation and configuration of the solution for UAT setup.	06 weeks of approval of implementation plan and architecture diagram	1% of one-time implementation cost Per Day for delay or part thereof.

UAT clearance and Security Review of the solution and closure of observations of security review and readiness for production setup. Helpdesk setup and manpower deployment	02 weeks after UAT instance is available	1% of one-time implementation cost Per Day for delay or part thereof.
Go-live for critical modules	09 weeks of Awarding of the contract	1% of one-time implementation cost Per Day for delay or part thereof.
Go-live for all modules	12 weeks of Awarding of the contract	1% of one-time implementation cost Per Day for delay or part thereof.
Periodical training	The Service Provider should provide training 2 times to at least 5 NaBFID officials each year.	1% of the training cost Per Day for delay or part thereof after a breach of SLA Measure.
Reports	<i>Delay of more than 01 Days from the requirement raised by NaBFID</i>	1% of monthly invoice raised Per Day for delay or part thereof after a breach of SLA Measure.

For each Payment Cut which accrues against a Key Milestone, where the supplier nevertheless achieves the Go-Live Milestone on the applicable Milestone Date, in addition to the other Milestone Charges which the Service Provider is entitled to invoice NaBFID for in the month in which such Milestone is Achieved, the Service Provider shall additionally be entitled to invoice NaBFID, after formal approval from NaBFID, for a sum equal to:

- Each Payment Cut which accrued in respect of that Separation Phase Milestone; less
- Any reasonable additional third-party costs which have accrued for third parties which are Managed Suppliers, and which have accrued because of steps which NaBFID has reasonably and necessarily incurred directly because of the delay in Achieving the Milestone, and which have been notified to the Service Provider but for the avoidance

of doubt excluding any such costs which NaBFID has recovered elsewhere under this Agreement. NaBFID shall use its reasonable endeavors to mitigate such costs and shall not be entitled to recover twice in respect of the same loss.

Working Example:

- Milestone A is Achieved 90 days late because of Supplier performance. The Payment Cut applied for Milestone A's Milestone Payment (say Rs. 1000) shall be 40%, so the Service Provider is able to invoice for a net payment of Rs. 600 in the month in which Milestone A is Achieved.
- In connection with the delay in Milestone A, NaBFID incurs third-party costs from its Managed Suppliers of Rs. 100.
- Thereafter, the Supplier's performance improves such that Milestone B is Achieved on its Milestone Date.
- The Supplier is entitled to invoice for Milestone B in full but, since it is not the Go Live Milestone, no re-earn occurs. Milestone C (which is the Go Live Milestone) is ultimately Achieved on its Milestone Date.
- As well as being entitled to invoice for the Milestone Charges for Milestone D (say Rs.1000)) the Supplier is additionally entitled to invoice for the Payment Cut which was applied for Milestone A (Rs. 400) less the third-party expenses incurred by NaBFID (Rs. 100).

1. Penalties for Default in Delivery

In case the delay exceeds 4 weeks, NaBFID reserves the right to cancel the order. In such an event the service provider will not be entitled to or recover from NaBFID any amount by ways of damages, loss, or otherwise

If orders are canceled due to non-delivery, the service provider will be debarred by NaBFID for participating in any future tenders floated by NaBFID as per clause 42.

2. Penalties for the shortfall in Performance Compliance Level

- If the successful bidder fails to maintain guaranteed uptime of 99.95% per month during the contract period NaBFID shall impose a penalty.
- The amount of penalty to be calculated on monthly basis for the shortfall in performance compliance level is as under:
 - Penalty for the shortfall in Performance Compliance Level: The amount of penalty to be calculated on monthly basis for the shortfall in performance compliance level is as under:

Shortfall in performance	Payment Cut
<=1%	1% of invoice raised
>1% and <=3%	3% of invoice raised
>3% and <=5%	5% of invoice raised
>5% and <=6%	6% of invoice raised
>6% and <=8%	8% of invoice raised
>8%	10% of invoice raised

- The above penalty shall be applied for each service separately.
- The amount of penalty may be claimed/ adjusted while releasing the Performance Bank Guarantee or the Service Provider will be advised to pay the same.
- However, no penalty will be imposed for the reasons solely attributable to NaBFID, in such cases, the successful bidder must submit the proof.
