Corrigendum dated 17.01.2020

### Clarification:

Query	Clarification/ Corrigendum
As mentioned in the scope of work given at Annexure, we have to account for sofa - 3 seater + 1 seater + 1 seater & qty mentioned is 5. Do we have to account for 5 sets of 3 seater + 1 seater + 1 seater or just 5 individual sofa as mentioned before.	No, only one sofa set (3 seater + 1 seater + 1 seater), leather finished is required. However, erroneously the quantity for sofa set was mentioned as 5 instead one in scope of work file (Annexure). Accordingly, all the interested event management agency has to quote the rate for only one set. Revised scope of work has been uploaded on website under corrigendum.
